**NOTICE OF MOTION
(returnable March 23, 2015)**

Canadian Industrial Distributors Inc. ("**CID**") will make a motion to a judge presiding over the Commercial List on Monday, March 23, 2015 at 10:00 a.m., or as soon after that time as the motion can be heard, at 330 University Avenue, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR an Order, including, among other things:

- (a) if necessary, abridging the time for service and filing of this notice of motion and the motion record or, in the alternative, dispensing with same;
- (b) approving the First Report of The Fuller Landau Group Inc. ("**FLG**"), in its capacity as the proposal trustee of CID (in such capacity, the "**Proposal Trustee**"), dated March 16, 2015 (the "**First Report**"), and the actions of the Proposal Trustee described therein;
- (c) approving an extension of the time for CID to file a proposal to May 10, 2015;
- (d) granting a priority charge over all the assets, properties and undertakings of CID (collectively, the "**Property**") in the principal amount of \$150,000 to secure the fees and disbursements of counsel to CID, the Proposal Trustee, counsel to the Proposal Trustee and BDO Canada LLP/BDO Canada Limited in its role as

financial advisor to CID (“**BDO**”, and collectively, the “**Administration Charge**”);

- (e) granting a priority charge over the Property in the principal amount of \$50,000 in order to protect CID’s directors and officers from certain potential liabilities (the “**D&O Charge**”), which D&O Charge is to rank behind the Administration Charge and any and all existing encumbrances in favour of HSBC Bank of Canada;
- (f) approving the “**Sale Process**”, as defined in the First Report and described therein; and
- (g) such further and other relief as counsel may advise and this Court may permit.

THE GROUNDS FOR THE MOTION ARE:

- (a) CID is a corporation incorporated pursuant to the laws of the Province of Ontario;
- (b) on February 24, 2015, CID filed a Notice of Intention to Make a Proposal (“**NOI**”) under section 50.4 of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “**BIA**”), and the Proposal Trustee was named as the trustee under the NOI;
- (c) the stay of proceedings will expire on March 26, 2015;
- (d) CID seeks an extension of time to file a proposal to and including May 10, 2015 in order to provide stability to CID’s business while CID, with the assistance of the Proposal Trustee and BDO, works diligently on formulating a proposal to its creditors;
- (e) if the extension applied for is granted, CID would likely be able to make a viable proposal to its creditors;
- (f) without the extension, CID will not be in a position to make a viable proposal to its creditors and will become bankrupt to the detriment of its creditors;

- (g) none of CID's creditors would be materially prejudiced if the extension being applied for is granted;
- (h) CID has acted, and is acting, in good faith and with due diligence;
- (i) the cash flow projections, a copy of which are attached to the First Report, project that CID will have sufficient funding to continue operating until at least May 11, 2015;
- (j) each of the proposed beneficiaries of the Administration Charge will play a critical role in CID's restructuring and it is unlikely that they will participate in these proposal proceedings unless the Administration Charge is granted to secure their fees and disbursements;
- (k) CID's directors and officers will also play a critical role in CID's restructuring and they have indicated that their respective ongoing involvement is conditional upon the granting of the D&O Charge as security for CID's indemnification for possible liabilities which may be incurred by such directors and officers;
- (l) the Sale Process is intended to maximize the prospects of CID being able to make a viable proposal to its creditors resulting from, amongst other things, a refinancing or a going concern sale with respect to CID's assets;
- (m) the Proposal Trustee has filed with the Court its First Report outlining, amongst others things: (i) the background to CID's business, operations and financial position; (ii) the actions of the Proposal Trustee since the filing of the NOI; (iii) the Sale Process; and (iv) the Proposal Trustee's recommendations with respect to this motion;
- (n) the Proposal Trustee supports and consents to the relief being sought by CID;
- (o) to the extent that they have registered pursuant to the *Personal Property Security Act*, R.S.O. 1990, c. P.10 (the "PPSA"), the secured creditors likely to be affected

by the Administration Charge and the D&O Charge have been provided notice of this motion;

- (p) the other grounds set out in the affidavit of Larry Johns sworn on March 16, 2015 (the "**Johns Affidavit**");
- (q) the other grounds set out in the First Report;
- (r) the inherent and equitable jurisdiction of this Court;
- (s) sections 50.4(9), 64.1 and 64.2 of the BIA;
- (t) sections 5, 6, 7, 8 and 23 of the PPSA;
- (u) rules 1.04, 2.03, 3.02 and 37 of the *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, as amended; and
- (v) such further and other grounds as counsel may advise and this Court may permit.

2. **THE FOLLOWING DOCUMENTARY EVIDENCE** will be used at the hearing of the motion:

- (a) the Johns Affidavit;
- (b) the First Report; and
- (c) such further and other material as counsel may submit and this Court may permit.

- (a) the creation of the Charges shall not create or be deemed to constitute a breach by CID of any Agreement to which it is a party;

- (b) none of the Chargees shall have any liability to any person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Charges; and
- (c) the payments made by CID pursuant to this Order and the granting of the Charges, do not and will not constitute preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.

15. **THIS COURT ORDERS** that any Charge created by this Order over leases of real property shall only be a Charge in CID's interest in such real property leases.

APPROVAL OF THE SALE PROCESS

16. **THIS COURT ORDERS** that the Sale Process, as described in the First Report, be and is hereby approved.

17. **THIS COURT ORDERS** that CID, BDO and the Proposal Trustee be and are hereby authorized and directed to perform their obligations under and take such steps as they consider necessary or desirable in carrying out the Sale Process, and any step taken by CID, BDO and the Proposal Trustee in connection with the Sale Process prior to the date hereof be and is hereby approved and ratified.

18. **THIS COURT ORDERS** that neither the Proposal Trustee nor BDO shall have any personal or corporate liability in connection with the Sale Process, including, without limitation:

- (a) by advertising the Sale Process, if any, including, without limitation, the opportunity to acquire all or a portion of the Property or invest by way of equity or debt in CID's business (the "**Business**");
- (b) by exposing or not exposing the Property to any and all parties, including, but not limited to, those parties who have made their interests known to one or both of the Proposal Trustee and BDO;
- (c) by responding to any and all requests or enquiries in regards to due diligence conducted in respect of CID or the Property;
- (d) through the disclosure of any and all information regarding CID or the Property arising from, incidental to or in connection with the Sale Process;
- (e) pursuant to any and all offers received by CID in accordance with the Sale Process; and
- (f) pursuant to any agreements entered into by CID in respect of the sale of any of the Property or the investment in or financing of the Business.

19. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, CID and the Proposal Trustee are authorized and permitted to disclose personal information of identifiable individuals to prospective purchasers of the Property, investors in or financiers of the Business and their respective advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property or investments in or financings of the Business (each, a "**Sale/Investment**"). Each prospective purchaser, investor or financier to whom such

information is provided shall limit the use of such information to its evaluation of the Sale/Investment, and if it does not complete a Sale/Investment, it shall return all such information to CID or the Proposal Trustee, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by CID, and shall return all other personal information to CID or the Proposal Trustee, or ensure that all other personal information is destroyed.

GENERAL

20. **THIS COURT ORDERS** that CID or the Proposal Trustee may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

21. **THIS COURT ORDERS** that nothing in this Order shall prevent the Proposal Trustee from acting as an interim receiver, a receiver, a receiver and manager, a trustee in bankruptcy or a monitor of CID, the Business or the Property.

22. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist CID, the Proposal Trustee and their respective agents in carrying out the terms of this Order. **AFFIDAVIT OF LARRY JOHNS
(sworn March 16, 2015)**

I, **LARRY JOHNS**, of the City of Brampton, in the Province of Ontario, **MAKE OATH
AND SAY AS FOLLOWS:**

1. I am the President and a Director of Canadian Industrial Distributors Inc. ("**CID**"). As such, I have personal knowledge of the matters to which I hereinafter depose. Where I do not have personal knowledge of the matters set out herein, I have stated the source of my information and, in all such cases, believe it to be true.
2. This affidavit is sworn in support of CID's motion for an order, among other things:
 - (a) approving the First Report of The Fuller Landau Group Inc. ("**FLG**") in its capacity as the proposal trustee of CID (in such capacity, the "**Proposal Trustee**"), dated March 16, 2015 (the "**First Report**"), and the actions of the Proposal Trustee described therein;
 - (b) approving an extension of the time for CID to file a proposal;

- (c) granting a priority charge over all the assets, properties and undertakings of CID (collectively, the “**Property**”) in the principal amount of \$150,000 to secure the fees and disbursements of counsel to CID, the Proposal Trustee, counsel to the Proposal Trustee and BDO Canada LLP/BDO Canada Limited in its role as financial advisor to CID (“**BDO**”) in respect of these proceedings (collectively, the “**Administration Charge**”);
 - (d) granting a priority charge over the Property in the principal amount of \$50,000 in order to protect CID’s directors and officers from certain potential liabilities (the “**D&O Charge**”), which D&O Charge would be subordinate to both the Administration Charge and any and all existing encumbrances in favour of HSBC Bank of Canada (“**HSBC**”) in respect of the Property; and
 - (e) approving the “**Sale Process**”, as defined in the First Report and described therein.
3. CID filed a notice of intention to make a proposal on February 24, 2015 (the “**NOI Filing**”) under section 50.4(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “**BIA**”).
 4. FLG has been named as Proposal Trustee of CID in these BIA proceedings.
 5. The purpose of these proceedings is to provide CID an opportunity either to: (i) identify a purchaser for its assets or an investor in CID’s business; and/or (ii) implement a restructuring of the capital of CID. The requested relief is integral to achieving either of these goals.

BACKGROUND

6. CID is a privately-owned corporation, which was incorporated pursuant to the laws of the Province of Ontario on December 14, 1994. CID's registered head office is located at #2A, 175 Sun Pac Boulevard, Brampton, Ontario. The directors and officers of CID are John Fulton, Dan McKenna and me. A copy of CID's corporate profile report is attached as **Exhibit "A"** to this Affidavit.

7. CID's sole shareholder is Team CID Inc. ("**TCID**"), the directors and officers of which are also John Fulton, Larry Johns and me. As discussed further below, TCID is a secured creditor of CID.

8. CID is a supplier and reseller of industrial products to the Canadian market. Amongst other things, CID is the exclusive Canadian distributor of certain products of Senco Brands, Inc. ("**SENCO**"), including, without limitation, certain SENCO-brand tools, fasteners and parts. With the assistance of BDO, CID's financial advisor, CID has been involved in lengthy negotiations to sell its assets to SENCO. CID and BDO were unable to reach an agreement with SENCO prior to the NOI Filing. While CID is prepared to continue its operations under a restructured business, its sole shareholder is becoming fatigued and would prefer a sale of the business if a reasonable purchase price can be achieved.

9. As of February 23, 2015, CID had approximately 11 employees at its head office in Brampton and approximately 28 other employees at other locations for a total of approximately 39 employees. Since that time, CID has terminated seven of its employees as part of its restructuring efforts. Six of these terminated employees were hired back under personal services contracts to assist in winding-down certain locations.

10. All source deductions related to CID's employees are current as of the date of this Affidavit, including, but not limited to, employee health tax, worker's compensation and employment insurance.

CID'S UNSECURED CREDITORS

11. Attached hereto and marked as **Exhibit "B"** is a copy of the creditor list included in the NOI Filing, with claims totalling \$6,060,254.20 as of February 24, 2015.

12. As at February 20, 2015, CID owed its employees approximately \$47,000 for accrued and unused vacation pay, and there was no outstanding wage arrears or termination pay owing to CID's employees. Subsequent to February 20, 2015, CID did not pay termination pay to any of the seven employees that were terminated pursuant to CID's restructuring efforts.

13. CID maintains a defined-contribution pension plan for its employees, and there are no unfunded liabilities in connection with this plan.

14. CID does not owe any amounts in respect of HST arrears.

CID'S SECURED CREDITORS

15. A copy of the PPSA (Ontario) search results for CID, with currency to March 9, 2015, is attached as **Exhibit "C"** to this Affidavit.

16. The PPSA (Ontario) search results indicate that there is one or more registration in favour of each of Blue Chip Leasing Corporation, Ford Credit Canada Leasing A Division of Canadian Road Leasing Company, GM Financial Canada Leasing Ltd., Honda Canada Finance Inc., HSBC, Nissan Canada Finance A Division of Nissan Canada Inc., Roynat Inc., SENCO, Somerville National Leasing & Rentals Ltd., TCID, Toyota Credit Canada Inc. and VW Credit

Canada Inc. Apart from the registrations in favour of HSBC and TCID, all the PPSA registrations against CID are limited to certain equipment (or in the case of SENCO, certain equipment and inventory) and the proceeds thereof. The registrations in favour of HSBC and TCID are in respect of, amongst other things, general security agreements granted by CID.

17. HSBC's PPSA registrations against CID were registered on April 25, 1996, and have been renewed and amended several times since then. As at the date of the NOI Filing, CID's indebtedness to HSBC was approximately \$2.1 million (Canadian) plus \$410,000 (U.S.) plus accrued and unpaid interest on both amounts.

18. TCID's PPSA registration against CID was registered on June 12, 2014. As at the date of the NOI Filing, CID's indebtedness to Team CID was approximately \$2.3 million (Canadian).

19. Searches analogous to the PPSA (Ontario) that were conducted in Alberta, British Columbia, Manitoba, New Brunswick, Nova Scotia and Quebec, with currency to March 10, 2015, are collectively attached as **Exhibit "D"** to this Affidavit. These searches reveal registrations made in favour of some of the entities discussed above, as well as registrations in favour of Howard Carter Lease Ltd. and Volkswagen Group Canada Inc.

CID'S FINANCES

A) CID'S FINANCIAL POSITION

20. CID's most recent unaudited financial statements are attached hereto as **Exhibit "E"**. For the year ended December 31, 2014, CID generated approximately \$15.6 million in sales and a loss after interest but before tax of approximately \$250,000. For the month ended January 31, 2015, CID generated approximately \$950,000 in sales and a loss after interest but before tax of

approximately \$64,000. CID typically runs a gross margin on sales of between 27% and 30%. As at January 31, 2015, total liabilities exceeded total assets by approximately \$1.5 million.

B) FINANCIAL DIFFICULTIES

21. CID has been experiencing financial pressure for some time. CID's liquidity position has deteriorated as a result of various factors, including, but not limited to, negative cash flow from operations, an inability to secure additional sources of financing and increasing pressure to make payments to its creditors. The material decline of the Canadian Dollar against the U.S. Dollar has also contributed to CID's financial difficulties, as approximately 60% of what CID purchases is priced in U.S. Dollars.

22. Accordingly, CID's liquidity and working capital have deteriorated to levels beyond repair without the aid of creditor protection.

23. These restructuring proceedings will allow CID to deal decisively with its cost and debt burdens and to narrow its strategic focus in an effective and timely manner. CID made this decision with the unanimous approval of its Board of Directors after thorough consultation with its advisors and extensive consideration of all other alternatives.

24. CID has limited cash on hand and presently has no ability to raise additional capital, and as such, CID filed an NOI.

NOTICE OF INTENTION TO FILE A PROPOSAL

25. As discussed above, CID filed an NOI on February 24, 2015 and named FLG as the Proposal Trustee. A copy of the certificate of filing the NOI is attached as **Exhibit "F"** to this Affidavit.

THE EXTENSION OF TIME TO FILE A PROPOSAL

26. The stay of proceedings will expire on March 26, 2015.

27. CID seeks an extension of time to file a proposal to May 10, 2015 in order to provide stability to CID's business while CID, with the assistance of the Proposal Trustee and BDO, works diligently on formulating a proposal to its creditors (the "**BIA Proposal**") and conducts the Sale Process.

28. CID has acted, and continues to act, in good faith and with due diligence in taking steps to facilitate either an acceptable sale or restructuring of its business. CID requires the additional time afforded by the proposed stay extension to pursue the Sale Process and formulate the BIA Proposal. The requested extension will allow CID to return to court with a better understanding of the potential outcome of the restructuring and the Sale Process.

29. If the extension applied for is granted, I believe that CID would likely be able to make a viable proposal to its creditors. Without the extension, I do not believe that CID would be in a position to make a viable proposal to its creditors, and I believe that CID would become bankrupt to the detriment of its creditors.

30. I do not believe that any of CID's creditors would face material prejudice if the extension sought is granted.

31. I understand that the Proposal Trustee is supportive of the requested stay extension.

32. I believe that CID has acted and continues to act in good faith and with due diligence in its operations and dealings with creditors.

CASH FLOW STATEMENT

33. The BIA requires CID to file a forecast cash flow statement within ten days of filing a NOI. In accordance with that requirement, CID has prepared a cash flow statement (the “**Cash Flow Statement**”). A copy of the Cash Flow Statement is attached to the First Report and is further described and examined therein.

RELIEF SOUGHT

A) THE ADMINISTRATION CHARGE

34. CID is seeking the Administration Charge to secure the fees and disbursements of the Proposal Trustee, counsel to the Proposal Trustee, counsel to CID and BDO incurred in connection with these BIA Proposal proceedings, both before and after the commencement of these BIA Proposal proceedings.

35. I believe that it is critical to the success of the potential restructuring of CID to have the Administration Charge in place to ensure that these insolvency professionals are protected with respect to their fees and disbursements. The professionals that are the beneficiaries of the Administration Charge have contributed, and continue to contribute, to the sale and restructuring of CID.

36. I believe that that the following factors support the granting of the Administration Charge:

- (a) the beneficiaries of the Administration Charge will provide essential legal and financial advice to CID throughout the proposal proceedings;

- (b) the roles of CID's legal counsel, the Proposal Trustee, the Proposal Trustee's legal counsel and BDO are distinct and there is no anticipated unwarranted duplication; and
- (c) the Administration Charge does not purport to prime any secured party with a registration pursuant to the PPSA (Ontario) that has not received notice of this motion.

37. Accordingly, I believe that this is an appropriate case in which to grant the Administration Charge. Each of the proposed beneficiaries will play a critical role in CID's restructuring and it is unlikely that the above noted advisors will further participate in these proposal proceedings unless the Administration Charge is granted to secure their fees and disbursements.

38. CID has worked with the Proposal Trustee and the other insolvency professionals to estimate the proposed quantum of the Administration Charge and I believe it to be reasonable and appropriate in the circumstances.

C) THE DIRECTORS' AND OFFICERS' CHARGE

39. To ensure the ongoing stability of CID during these BIA Proposal proceedings and to maximize the potential of a successful Sale Process and restructuring, CID requires the continued participation of its directors and officers. The directors and officers of CID have specialized expertise and relationships with suppliers, employees and other stakeholders, as well as knowledge gained throughout the lengthy years of service to CID, that cannot be replicated or replaced.

40. CID's directors and officers have indicated that their respective ongoing involvement is conditional upon the granting of an order under the BIA which grants the D&O Charge as security for CID's indemnification for possible liabilities which may be incurred by CID's directors and officers, which D&O Charge would rank second in priority behind the Administration Charge.

41. CID does not maintain any director liability insurance.

42. The D&O Charge is required in order to provide a level of protection to CID's directors and officers with respect to the possible liabilities imposed on them acting in such capacities. I believe that my request and the request of my fellow directors and officers to receive adequate protection in the form of the D&O Charge is fair and reasonable and advances the integral need of CID to have fully functional, experienced and qualified advisors, board of directors and officers.

D) THE SALE PROCESS

43. I believe that conducting the Sale Process outlined in the First Report represents CID's best chance of generating a BIA Proposal that has the potential of being accepted by CID's creditors. While the Sale Process is somewhat restricted in scope, it contemplates the solicitation of offers from industry-related strategic purchasers/investors with which BDO, my team and I have had or will have discussions, and each of these prospective purchasers/investors is active in CID's industry. BDO, my team and I understand the market of potential purchasers/investors and are of the view that: (i) a more fulsome process would not likely be beneficial; and (ii) the prejudice caused by the delay and costs of implementing a more fulsome process outweigh any benefit that could be achieved.

44. Moreover, my team and I are not prepared to undertake a more fulsome sale process. As discussed above, the directors and officers of CID are also the directors and officers of TCID, which holds the second-blanket PPSA registration against CID and is owed approximately \$2.3 million. As a group, we represent the majority shareholding position in TCID, we are fatigued by CID's ongoing financial difficulties and we lack both the energy and the funding to support a more fulsome sale process.

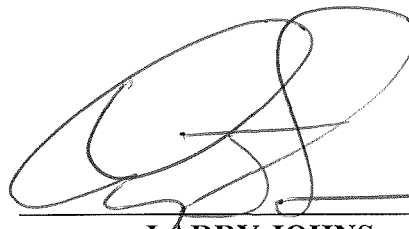

45. I believe that the Sale Process is reasonable and fair, and that it is supported by the Proposal Trustee.

46. I have read a near final version of the First Report and agree with the statements made therein.

47. This Affidavit is made in support of the within motion for, *inter alia*: (i) approving an extension of the time for CID to file a proposal; (ii) granting the Administration Charge to secure the fees and disbursements of counsel to CID, the Proposal Trustee, counsel to the Proposal Trustee and BDO; (iii) granting the D&O Charge in order to protect CID's directors and officers from certain potential liabilities; and (iv) approving the Sale Process described in the First Report, and for no other or improper purpose whatsoever.
